# ALL I WANT FOR CHRISTMAS

## WELCOME!

I WOULD LIKE TO WELCOME EVERYONE TO THE JOHN GLENN DANCE TEAM'S 7TH RECITAL. THIS SEMESTER, I DECIDED TO TAKE A BREAK FROM HAVING A THEME FOR OUR RECITAL AND JUST CHOOSE MUSIC THAT WE LIKE.

I ESPECIALLY WANTED THE TEAM TO CHOOSE MUSIC FOR THEIR SOLO'S THAT THEY LOVED OR HAD A SPECIAL MEANING TO THEM. AS YOU MAY HAVE GUESSED, THEIR MUSIC CHANGED SEVERAL TIMES THROUGHOUT THE SEMESTER (TEENAGERS!). WE WERE FACED WITH A DIFFICULT CHALLENGE THIS YEAR, AN EXCEPTIONALLY SHORT FALL SEMESTER.

THIS YEAR WE ONLY HAD 10 WEEKS TO LEARN AS OPPOSED TO OUR NORMAL 12 WEEKS. HOWEVER, THE GIRLS WORKED EXTRA HARD AND HAVE PUT TOGETHER A BEAUTIFUL AND ENTERTAINING SHOW FOR ALL.

WE HAVE MANY NEW MEMBERS TO OUR TEAM AGAIN THIS SEMESTER. I AM PLEASED TO SEE THAT THEY HAVE ALL BECOME GOOD FRIENDS AS WELL AS WONDERFUL DANCERS. I HOPE EVERYONE ENJOYS TONIGHT'S PERFORMANCE AS MUCH AS THE TEAM WILL ENJOY PERFORMING FOR YOU!

WARMEST REGARDS,

# MY SPECIAL THANK YOU'S.....

Is it show week already? Time has just flown this semester. I feel like I was just stressing over what music to select. I have to say that this year we have had the smoothest sailing team I have ever seen. Everyone got along very well and there were no major blow outs. I would like to thank my team for being patient with me. I have been ill with colds, sinus infections, etc. for more than half of the session. I am afraid that they have displayed more patience and discipline than their coach this year.

My first Thank You has to go to my Assistant Coach, Ashley Hudy. Ashley is a former Captain of mine who graciously donates her time in her busy college schedule to come back and help with the team. This year, she has been my savior. With having so many audition for the team and taking on an exceptionally large team this short semester, I didn't know how I was going to pull this off. I thought I would have to teach 2 dances at a time, then Ashley walked in, and all my problems were solved. Her beautiful style, rapport with the girls, and dedication to the team has made this show possible.

Thank You Ashley, for all you do for me and the girls. You are truly invaluable and I don't even want to think about the future and how I am going to manage this team when you go away to school.

To my family, my beautiful children, Connor, Riley and Ella Bean. I love you so much and appreciate you sharing me with my Dance Team. You are my life and I thank God every day for you. And yes, Riley, one day I will let you come and teach a dance for me (she is 6). My husband Gordie, thank you for your continuing support with my "hobby", and for not reminding me that maybe I should stretch a little more when I come home limping from dance. My sister, Lynne Taylor, for continuing to lend me her Synergy Dance Studio for extra rehearsals and volunteering her time to challenge my company with her beautiful choreography. My brother Jeffery, for donating his time to create all of our marketing designs as well as creating our programs. As always, your talent is such a gift, and I am just so glad to be your baby sister so I can exploit it for free. And to my Sister Alicia, for filming our show and just being my Wee Haa.

My best friend Sheri, who continues to mentor me through all my questions. Thank You for always lending us your room to practice and especially for giving us our own closet this year!! Although you are at some random Christmas Party tonight (ha ha), know that I will be thinking of you! My Captains – Petra, Anna and Maria. Thank You for being so prepared this year and for your beautiful choreography. I am going to have a difficult time thinking up new challenges for you next semester. And to my talented John Glenn dancers, all I can say is "Well Done"!

Alicia, you have truly scared the heck out of me this year. I could have filled out at least a dozen accident reports on you. Thank God you always bounced right up off the floor and said "I'm all right"! Janae, I am so proud of your pointed toes and your double pirouette that you landed this year. Kellee and Taylor, I will miss you next semester. But don't be surprised if you don't make your other teams, I may have bribed your coaches so I can have you. To all my newcomers to the team, I am blessed with your talent. It has been such a wonderful experience getting to know all of you and I hope you have enjoyed the last 10 weeks. Most of all, I hope you have felt like you are truly part of a team and found a home with our Dance Team. All of my dancers, you should be tremendously proud of yourself. You have all worked so hard for this one night, and I hope my "gentle" pushing helps you have an incredibly rewarding experience on stage. Enjoy yourself tonight, take in every moment you can. And as always, it has been my pleasure, and I am truly honored to be your coach.

Sincerely, Carey

Carey,

I don't know how you do it, three practices a week for two hours, putting all the odds and ends together for the recital, running the fundraiser, ordering and rhine stoning costumes, while being a mother of three kids and running a business. You have always come through on everything you said you would, and you have never let the team down. Your determination and persistence for the team to look amazing come time for recital, is reflected in your dancers. You're very encouraging and it shows you want the girls to be the best dancers they can be. It's been so great working with you; you're organized, professional, reliable, honest and fun to be around. I hope that some of your awesome teaching skills will rub off on me. Thank you for being inspirational, supportive, encouraging, wise and just for being you.

To my dance girls,

Wow! What an awesome start, so many eager dancers and routines just waiting to be taught, I don't know even know where to begin. This dance season was the most enjoyable out of my two years of working with your girls. Every semester is a new adventure and you girls never cease to amaze me. You all have such a passion for dance and that shines through everything you do. I have watched you girls grow as dancers, and I am very proud of all that you have accomplished. Team work was at an utmost importance this time around and you girls have really pulled it together and all that hard work will pay off in a terrific show! We were very productive this year and got to experience some creative new dance styles, which I hope you girls truly enjoyed. I'm very glad to have been part of your dance education; I really loved dancing and spending time with you girls. Every dance looks great! Keep on smiling, you girls light up the stage, and you will always be stars in my eyes!

Remember to follow your dreams and dance your heart out. Good Luck!

Love,  
Ashley Hudy
